

**The ABBA Arena - Start time 7.45pm**

**See ABBA on stage in a concert that was 40 years in the making!**

Blending cutting-edge technology, spectacular lighting, and some of the most beloved songs ever written, ABBA take to the stage in a whole new way. In a stunning, purpose-built arena, one of the most popular groups in history appear as digital avatars in a 'ground-breaking' (Metro) concert that really 'needs to be seen to be believed' (BBC).

With a host of 5\* reviews, **ABBA Voyage** features a setlist of ABBA's biggest, most popular hits - each handpicked with great care by the band. Agnetha, Björn, Benny and Anni-Frid have created the kind of concert they always wanted, performing for their fans at their very best: as digital versions of themselves backed by today's finest musicians.

***Experience a concert like no other!***

Blurring the lines between the physical and digital, see the magic of ABBA brought to life using the latest in motion capture technology. It's the greatest ABBA performance the world has never seen. Until now...
